For Possible Action

2021-02RP: CONSIDERATION AND RECOMMENDATION TO NEVADA GAMING COMMISSION OF PROPOSED AMENDMENTS TO NEVADA GAMING COMMISSION REGULATION 5.225 REGARDING, WITHOUT LIMITATION, AMENDING THE DEFINITION OF “WAGERING ACCOUNTS.”

PURPOSE: To amend Nevada Gaming Commission (“Commission”) Regulation 5.225(1)(d) to clarify that the term “wagering account” does not mean an electronic ledger used solely to record and track wagering vouchers whose validity and value are determined, monitored, and retained by a licensee’s cashless wagering system and/or to communicate with a licensee’s cashless wagering system to facilitate a patron’s use and redemption of the stored and tracked wagering vouchers; To add a reference to the definition of “wagering voucher” found in the Nevada Revised Statutes; To reformat the subsection to conform with current drafting standards used by the Commission; To replace the term “accounts” with “electronic ledger” in the existing exemption for clarification purposes; And to take such additional actions as may be necessary and proper to effectuate this stated purpose.

The proposed regulation changes will be considered by the NGC in accordance with the provisions of NRS 463.145, which provides that on the date and at the time and place designated, any interested person, or their duly authorized representative, or both, shall be afforded the opportunity to present statements, arguments or contentions in writing, with or without the opportunity to present the same orally.

These items will be heard by the NGC at the August 19, 2021 meeting, and may be continued and heard at subsequent meetings of the NGC as required to effectuate the above-stated purposes.

The proposed regulation language will be posted on the Nevada Gaming Control Board website “Regulation Activity” page at: <http://gaming.nv.gov/index.aspx?page=52>. Any questions should be directed to the Executive Secretary at MBell@gcb.nv.gov.
